

***Trying to Make High School Purposeful!***

- Introductions:
- Career Coordinator as a Position for Greene County:
- Primary tasks thus far:
  - Event Planner/Career Counselor/Grant Writer/Temp. Job Service/Guest Speaker/BAC Meeting Co-Chair/Etc.
  - In short—whatever the individual HS needs?
- Navigating Business / School Concerns:
  - Repeated HS Trips/activities
  - Paperwork for students—Tracking Hours for OMJ Seal/CTE Programming
  - Insurance requirements for student placement on job sites
  - Targeted student audience for in-house events—Avoiding just “getting out of class”
    - ***BEST if schools know/understand how to target the focus group (see visual)!***
- Example Successful Activities: Career Fairs/Career Events/Job Fairs/Individual Student Meetings/Speaking to classes:
  - See Materials: *Scrubs Day Flyer/BHS Extended Advisory Event Flyer*
- Recent Out-of-State (Wyoming) House guest: *What if????*
  - There is a way!

**Sample Highlights to Consider for Your Use:**

- EBE 1000 Clark State Articulation Agreement
  - *Not just CCP students and FREE!*
- Internship Placement—Using Credit Flex for Internships
  - SOCHE as partner
  - At its best—great exposure and leads to additional training
    - CC Adult Ed./ Apprenticeship Programs/Schooling/Summer Programs/Etc.
- ***In A Perfect World*** Example(s):
  - Basic Home Repair/Exploration Trades—
    - SOCHE if they leave school to supplement the class (for ex.)

## MINIMUM COURSE REQUIREMENTS

### Teachers/advisors do the following with students during HS career:

- Complete Resume
- Complete *YouScience/Pathful/Etc.* for Career Exploration and research careers
- Create a *LinkedIn* or *Ohio Means Job* account
- Register at a jobs site to include one or more of the following:
  - *Ohio Means Jobs*
  - *Monster*
  - *Indeed*
- ✓ Students complete Resume (including letter of references)
- ✓ Students complete Interview (Live or Mock)
- ✓ Students complete Cover Letter
- ✓ Students complete sample follow-up interview correspondence
- ✓ Students are taught importance of the following:
  - Professional attire/Image
  - Attendance
  - Importance of and improving Communication skills
  - Discussing/Planning for Internship/Co-Op Opportunities

## RESPONSIBILITIES

### For the STUDENT:

Students seeking college credit through this agreement will:

- Successfully complete high school course credit requirements.
- Apply for admission to Clark State College prior to transfer credit.

### For SECONDARY SCHOOLS:

- The secondary school course teacher or district representative will affirm to the Clark State College Tech Prep Coordinator and the Clark State College Records Department that the student has met the career tech requirements and is eligible for articulated credit. This involves completing a digital articulation form that will be sent in late April.

### CLARK STATE COLLEGE RESPONSIBILITIES:

- When a student matriculates to Clark State College, the registrar will record achieved articulated course credit (AR) on the student's college transcript.
- Clark State College will waive tuition and fees for articulated credit.
